2003 BAY SWB MARE

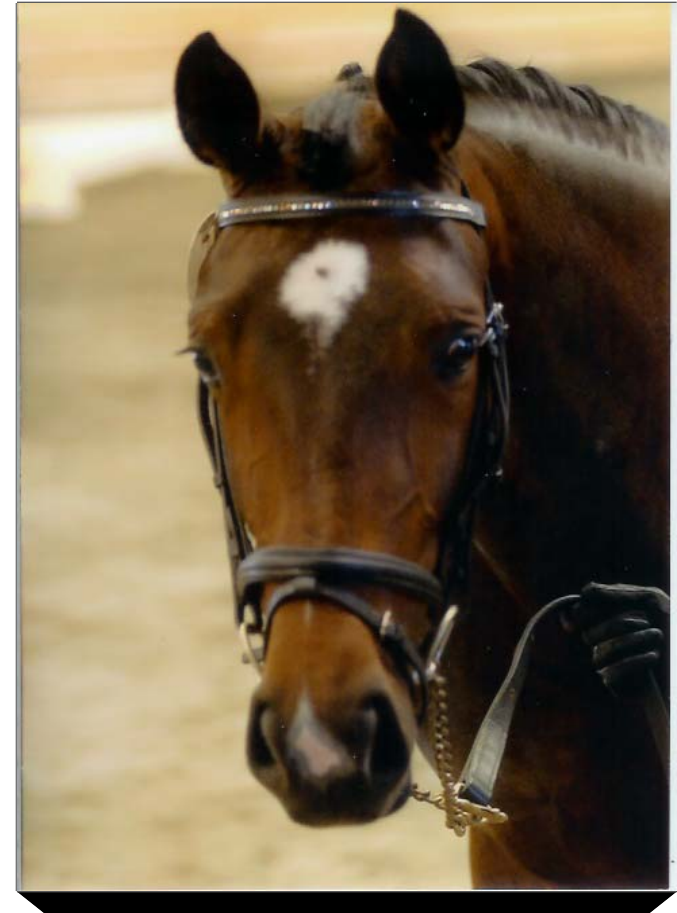

L.A. BALTIC INSPIRATION X DAHLARNA BY FLAMENCO

“Chocolat” is a very stunning SWB bay mare with a lovely mind and a beautiful top-line and with many accomplishments showing in hand. At her Swedish Inspection she was graded Class I (the highest) and where she received a 9 for type and an 8 for legs. Her father L.A. Baltic Inspiration was a Grand Prix Jumper *and* trained through Grand Prix dressage as well! Chocolat would do well in either the hunter or dressage ring or would be an excellent broodmare addition for your breeding program.

Chocolat showed first in the June 2004 Morven Park Summer Breed Show receiving a 74.4 score. The following year at the June 2005 Morven Park Sport Horse Breeding Show she received a score of 72.100 and she was also awarded the Highest Scoring Swedish Warmblood Award from SWANA. On the following day she showed in the VADA/NOVA Summer Breed Show receiving a 76.500, having been awarded an 8 for walk, 7.5 for conformation, 7.5 for trot, and, 7.5 for General Impression.

She is currently working at training level—watch for her in the show ring!

Offered for sale to a good home only by her breeder Thora Pollak, Beall Spring Farm, Beallsville, MD.
